Foreword

We the staff of '29 have tried to put out a book that will please the reader and help him keep all his memories of old C. H. S. during the years '28 and '29.

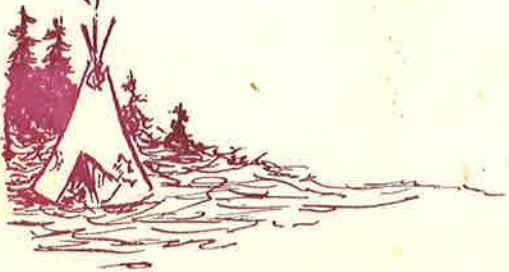

IN AFTER YEARS

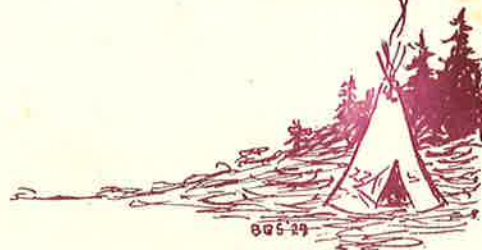

When we're off in some far-away college,
In the years to come bye and bye—
And we want to think something pleasant,
We'll think of Comanche High.

And we'll smile as we sit and remember,
What a class we made—oh so fine!
For of the years gone—and all those to come,
There is none like the year '29.

JANET HOLMES, Staff Poet

To The Faculty

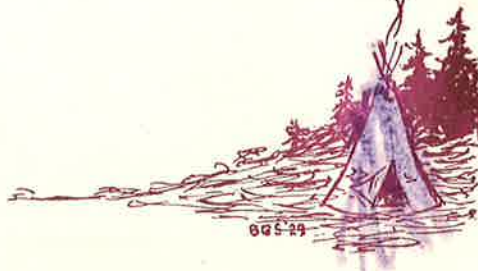

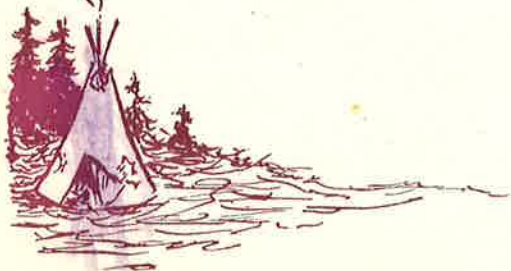

We beg your pardon, dear teachers,
For the many mean things we've done!
For the hours of mischief making
Which we meant to be only fun.

We're sorry for all, so we now beg
Forgiveness on bended knee,
So now that we're leaving, please
Don't hold a grudge,
For we realize our faults,
Don't you see.

We really do love you, dear teacher,
We're sorry we have to leave you,
But we'll try to remember instructions
And your warnings in all that we do.

And please don't forget us, dear teachers,
For we'll certainly remember you!
And we know that you'll always be friendly
For your thoughts are the truest of true.

JANET HOLMES, Staff Poet

A MESSAGE To The STUDENT BODY

—o—

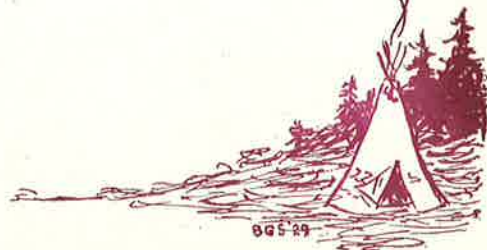

With the publication of the 1929 Arrow-Head, the Senior Class will put into record form a part of its contribution to the High School which in turn will constitute a part of the history of the institution. The days spent here have been full of activities, joys, disappointments and success. Your future success may be greatly enlarged if you continue to build upon the foundations of your high school experiences. By studious application you may continue to grow mentally, and it is only through this process that you may hope to attain the highest possible levels.

The Arrow-Head will be of keener interest to you as the years go by, for you will wish to turn through its pages and renew old acquaintances. Your success will always be of interest to me, and it is my sincere hope that each of you may contribute a worthy and useful life to society.

MESSAGE TO THE STUDENT BODY

May you remember and follow this motto:
Health, Happiness and Character as well as Brains.

'29

C.H.S.

MISS MINNIE BRADFORD CUNNINGHAM—History

B. A., Trinity University

Glancing at the number of years teaching experience attributed to me, I feel like I have not only taught History but have helped to make History in Comanche High School. I hope that whatever I have done has been for the betterment of the school and for the good of the many hundreds of students who have passed through my classes in these years.

MISS RUBY PHILIPS—Latin

Baylor, Belton

Although I was in Comanche High School one year, I learned to love the whole student body

MISS OLA CUNNINGHAM—English

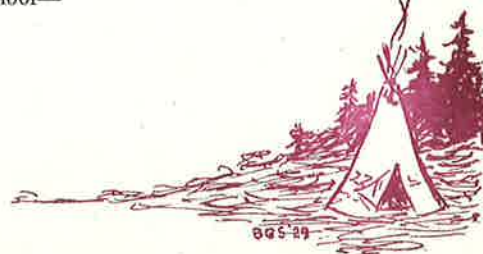

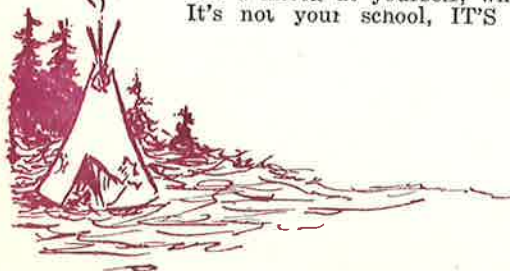

University of Texas

I have been with the school since the covered-wagon era. Now we are entering the great zeppelin age. My wish is that you students will pass not only through this age, but in and through the "Shoot-the-tube" age.

MRS. ROMEE S. WALKER—Public Speaking

Texas Christian University—Boston School of Expression

If you want to go to the kind of a school
Like the kind of a school you like,
You needn't pack your clothes in a grip and start on a long, long hike.
You'll only find what you left behind
For there's nothing really new.
It's a knock at yourself, when you knock your school—
It's not your school, IT'S YOU!

C.H.S.

MRS. W. D. CARROLL—Glee Club

Daniel Baker College (Degree in Music)

There is a boundless fund of inspiration, for those with earnest aspiration.

GEORGE BURNS—Mathematics, Science

Characters are moulded on the athletic field. The truest friends I have, I met them there.

MISS EUNICE HARRIET BRIGHTMAN—Mathematics

Your lives are now unknown equations; but if you will square both sides, clear up the fractions, and transpose your weaknesses to the right side, your answers will be satisfactory when the Great Creator calls for your record.

MISS DUDLEY HICKS—Home Economics

Baylor Belton, B. S.

It is a pleasure to have friends, and I hope I have made friends of my pupils. I give to the students of C. H. S. this quotation from Hughes on friendship: "Blessed are they who have the gift of making friends for it is one of God's best gifts. It involves many things, but above all the power of going out of one's self and appreciating what ever is noble and loving in the other."

Senior Class Poem

TO COMANCHE HIGH

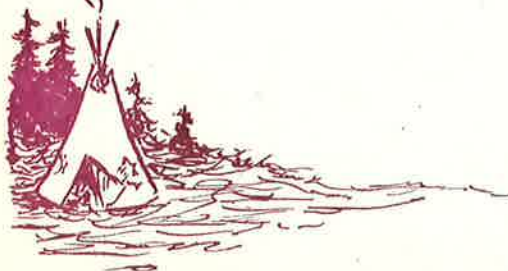

We're leaving you Comanche,
This best of all the "Highs."
We've been here four long years, you know—
But my how time just flies.

We've tried to make a record,
And yes—succeeded too,
It wasn't for ourselves, school—
We did it all for you.

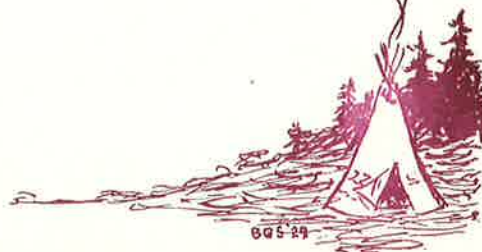

And now—you see, we're leaving,
Yes, college now we'll try,
But we'll come back, Comanche
Some day bye and bye.

So here's the song we sing to you—
Our class is certainly fine,
Of all Seniors gone, and all those to come,
The best are the Seniors of '29.

Senior Class History

Here's to the Seniors, this class of '29, the Best Senior Class that has ever graduated from Comanche High School. Abide a while with us please, and we will tell you some of our history, beginning with the day when we entered Comanche High as an enthusiastic bunch of Freshmen. We've been here four long years now, and during each of these years we've done something which helped to make Comanche High School a more distinguished place.

You see, we have always been very unusual. When we were Freshmen, we won, by a large majority, the "Arrow-Head" contest. And we were a live, peppy bunch of Freshmen always, and we certainly did furnish our quota of men for football as well as students to take part in literary events.

Then, as Sophomores, we furnished a team to go with the Senior's team, and together we beat the Juniors and Fish, in a class football game. The two yell leaders were Sophs that year, and the declaimer and extemporaneous speaker too. And oh! what shining lights we were in football, and what a brilliant success we made when the Sophs took in the most subscriptions to the Squaw, thus winning that contest too.

When we were Juniors, the school certainly knew that they had never yet seen Juniors who compared with us. Such pep! Such school spirit! We certainly did more than our part in both literary and athletic events. Also—please remember that practically all on the "Whose Who" page were Juniors. Another unusual thing that we "put over" in our Junior year was the big Junior-Senior picnic, when we entertained the Seniors who said they wanted something "different." Well, we gave them something different with a big picnic at the Narrows. It was certainly the event of the year.

'29

E.H.S.

SENIOR CLASS HISTORY—Continued

And now that we are dignified Seniors! Stop, please, and get your breath, for we've given to the school the Editor-in-Chief and the Business Manager of the "Arrow-Head," the Staff Poet and the Social Editor, also Debaters, Essayists, Extemporaneous Speaker, Tennis Players, Singers, and Oh! so many that we cannot count them all. We have held our own with the Juniors in the class games, and we astonished the whole school with the program we gave in chapel.

Remember please, the last verse of our class poem:

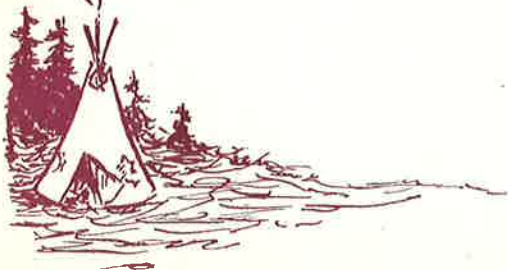

"So here's the song we sing to you—
Our class is certainly fine!
Of all Seniors gone, and all those to come,
Remember the Seniors of '29."

Junior Class History

Boom! Rah! Here we are the Juniors of '29! We are few in number but diabolically spreading, and taking it all around like a barrel instead of flat like a table, we still consider ourselves the best in school when it comes to being good sports and good students. Now getting down to bare facts and the naked truth, and from a spasmodic standpoint, we still maintain that we, the Junior Class of '29, have accomplished about as much and maybe more in some cases than other classes. For instance football, track, basket ball, golf, croquet, marbles, washer pitching and shinney. We have every thing in our class from debaters to spontaneous speakers, including aviators, acrobats and mathematicians.

'29

At the beginning of this year we had about forty enrolled in the Junior Class, about twenty girls and twenty boys.

Practically all of the boys came out for football and seven of them lettered. And all of the girls were in the pep squad at most of the games at home. The Juniors and Fish beat the Sophs and Seniors in the class football game, we also were well represented in football, track and literary events.

Our class supported the year book one hundred per cent as they did all other class contests that we entered.

As we made such a good record this year we believe that we will have a good Senior class next year and we are hoping that all of the Juniors will have a good Senior class next year and we are hoping that all of the Juniors will come back and finish in '30. We are hoping to make our annual next year one of the best for many years to come. We hope to see you all this coming fall up at old C. H. S. Adieu.

Class Historian

JUNIOR-SENIOR PICNIC

There is a custom in this school for the Juniors to entertain the Seniors each spring by a banquet or a picnic. This year the Juniors seemed to exert all efforts to have both in one. They invited the Seniors to Round Mountain one spring evening. They wanted to be sure everyone had a good appetite, so the crowd climbed to the top of the "Mountain." When they came back down, numerous games such as "Hot-towel" "pop-the-whip," "Leap-frog," and "Flying-Dutchmen" were played. Then came the anticipated delight—food! and how! Delicious baked hen dressing, fruit salad, stuffed eggs, pickles, olives, potato chips, sandwiches and lemonade were served. It was astounding to see such amounts of delicious food, but even more wonderful to see how fast it disappeared. Every person there thoroughly enjoyed himself. When the time came to go home, all the Seniors agreed that the Juniors deserved to be patted on the back.

C.H.S.

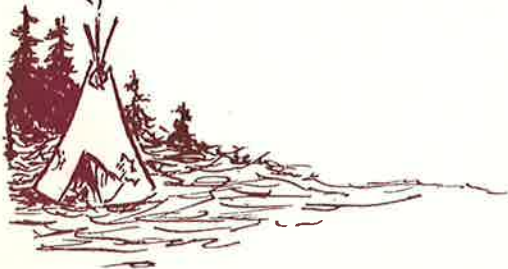

Junior Class Poem

You can talk about your high and mighty Seniors,
And all the peppy Sophomores too,
And your grand and glorious bunch of famous Freshmen
The Juniors have a few.

I'm a loyal booster for the Juniors,
That Class from dear Comanche High.
I'll yell and shout for them in every little thing,
I'll laud them to the sky.

Juniors, Juniors, pride of the school;
How we love you,
Honor you too;
Good class, grand class, leading so fine,
I'm a Junior from Comanche High,
A Junior of '29.

JANET HOLMES, Staff Poet.

Sophomore History

The time of parting is here,
The thread of mingling has broken,
All are parting from classmates dear
Like an old last love token.

We're through of our pleasure giving
To teachers, friends, and all,
For another year in the Junior role we will be living—
To answer every plea and call.

This Soph class of '29 regrets very much the closing of this happy, beneficial school year which every one has enjoyed so much. Our class being the largest in school, we always had the advantage of giving and receiving every profitable and enjoyable thing in and out of the school and this we, the Sophomore class members, did at every opportunity.

Some of the Sophs took part in the county meet and of course Comanche was the winning team. Certain members of our class never do miss the chance of entering the county meet every year, and they will continue doing so throughout their future school years.

We attended every activity of the year and would always try to help boost and put out good representation for our school, because certain members of our class do not know when to stop real hard work. We all wish that this may continue.

Every Soph is very sorry of leaving this old class because of the pleasure and profitable ideals they have received during the year but we like the honor of being a Junior.

FRANKIE BARKLEY, Class Historian

Sing a Song of Sophomores

Sing a song of Sophomores,
From Comanche High—
An even fifty Sophomores
(But not in a pie).

When the doors are opened—
The Sophs begin to sing—
Making fine enough a bunch
To set before the King.

Then harken to the Sophomores—
From Comanche High—
An even fifty Sophomores—
(But not in a pie).

Freshman Class History

Whew! Of all the goofy feelings! A Fish in High School— That empty feeling, all-gone-like sensation. But such things as these were soon put aside, and there in its place developed one of the greatest Fish classes that has ever been known, the Class of '32.

The first few days of school we felt somewhat cheap, trying to find where to go and what to do when we got there. This, however, was soon overcome, for the teachers, as well as our friends the Juniors, encouraged us in every way.

In athletics the Freshmen class produced several boys as well as girls. Among these were two tennis players: Coleman, girls singles, and Dillon, boys doubles. In the literary events, both the boy and girl declaimers were from the Fish class. They were Donaho and Hooker.

We have always shown great interest in school work and activities. We supported the Arrow-Head by attending the different plays for the Arrow-Head. We also supported it by selling subscriptions.

Our class enjoyed a weenie roast in the month of February. The evening was spent in playing games and roasting and eating (mostly the latter) weenies.

As the years roll by we hope to be overflowing with knowledge. As Sophs, we hope to be the best ones that were ever in C. H. S.; the same as Juniors and Seniors.

“JERRY” KILPATRICK, Historian

E.H.S.

Freshmen Sentiments

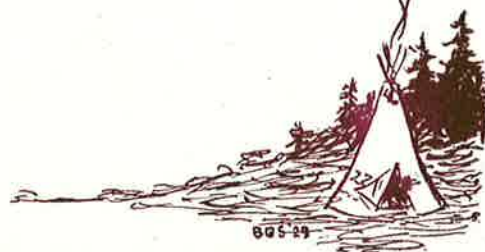

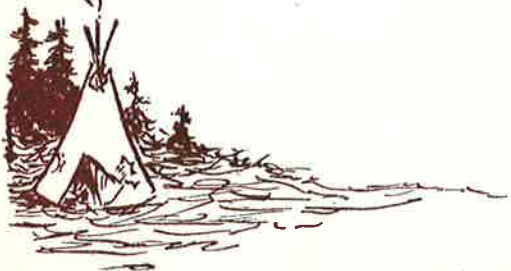

Swish, swish,
Listen to the Fish,
We're a bunch of Freshmen
On the High School dish.

We claim to be a "melting pot"
For there is no oddity we have not.
And we act fair in work or play,
And have much fun on everyday.

Our Sponsors are—Miss Dudley Hicks;
Who is as true as true,
And—Mr. Burns is a grand, good sport,
And say—we love 'em too.

Next year you'll see some more of us,
Fine Sophomores in line.
But this one thing we say to you—
The Fish are certainly fine.

JANET HOLMES, Staff Poet

The Year

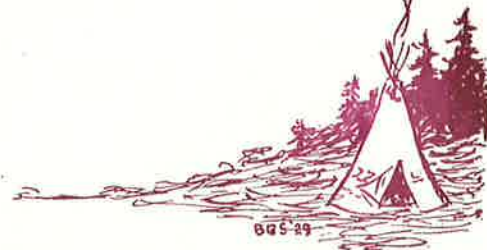

Social Events

The first social event of this school year was a party given by the pep squad after our victory over the Stephenville Yellow Jackets. The Stephenville pep squad and team were invited to stay over. The auditorium was artistically decorated in Stephenville colors of blue and gold and our dear old Black and Gold. After everyone had become acquainted, numerous games were played. Members of the pep squad then served their guests with ice cream and cake.

FOOTBALL BANQUET

The most anticipated event of the year is always the banquet given for the team by their mothers and the pep squad. This year's banquet seemed an unusual success. The guests assembled at 6:30 and went to the Domestic Art Laboratory. The tables were beautifully decorated with gold and black bows and streamers. Small brown paper footballs served as place cards. At each plate was a clever menu printed on orange paper. The names of the food were football terms. The menu consisted of baked hen, dressing, sweet and Irish potatoes, cranberry sauce, and bread, followed by ice cream and cake. Toasts and speeches were made by the lettermen, the pep squad leaders, Elizabeth Anthony and Robert Cunningham, Mr. Burns and Mr. Kallina. Mr. Barrett was toast-master. After several peppy songs were sung, the team showed their gratitude by escorting their pep squad partners to the picture show.

FRESHMAN PICNIC

The Freshmen Class enjoyed a weenie roast at the farm home of C. B. Williams, one of the Freshmen students. A good many of the Freshmen went on the picnic. They played games until they were just tired enough to enjoy to the full the excellent weenies, buns, pickles and cakes. After this they sat around a fire and toasted marshmallows and sang popular songs. All say that it was the "End of a perfect day."

SENIOR PICNIC

It is customary for the Seniors to go on a picnic on their Senior Day. This year the Seniors went fishing on the Leon River at a place about 12 miles from Comanche. They hiked about, gathered wood for a fire and did numerous other things, finally eating a lunch of sandwiches, pickles, olives, potato chips, stuffed eggs, cakes, bananas, apples, oranges and sliced pineapple. After lunch they played games after which some of the members fished. Did any of those Seniors get barefooted and go in wading? Did they catch any fish? Were there any mosquitoes? You'll often wonder!

CHAPEL PROGRAMS

In order that the chapel programs might be made more interesting this year, all the classes consented to, each in turn, give a program in chapel.

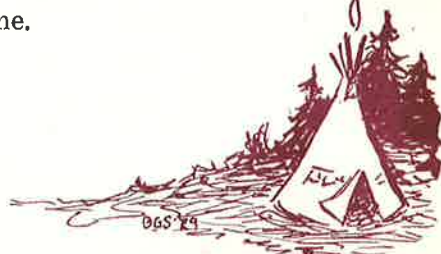

The Seniors, being more responsive than the rest, offered to give theirs first. They gave a pantomime playlet, entitled "Lover's Lane." The student body seemed to enjoy this very much, and at once the other classes began working to put over something equally good and interesting.

The Juniors next favored us with a very unusual program. They performed a tedious operation on one of their fellow students.

The Sophomores gave a very interesting musical and dancing program.

The Freshmen gave a very original musical program on saws, French harps, etc.

These programs were enjoyed by everyone.

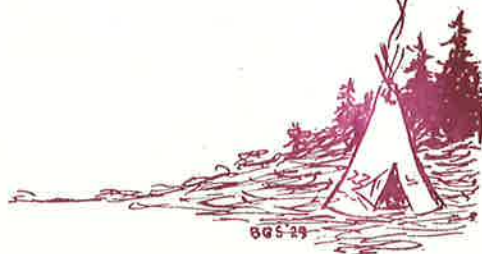

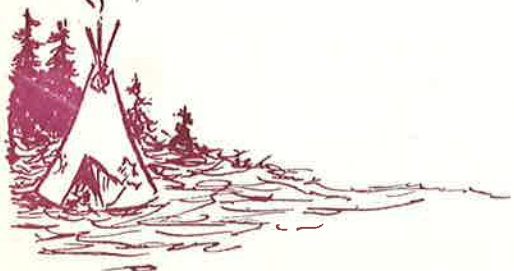

E.H.S.

THE SINGING CONTEST

On May 2nd we started a Singing Contest among the classes. We started with a double quartette, the Seniors won over the Juniors, both girls and boys, and the Sophs won over the Fish. Then the Seniors competed against the Sophs and won. Then we had a quartette contest and it came out just as before. Then we ran off the duet, the Seniors lost to the Juniors in boys and the girls won. The Sophomores won over the Fish in boys and the Sophs lost to the Freshmen girls. Then the Senior girls won over the Fish girls and the Sophs won over the Juniors. Then we ran off the solo contest. The Senior girl, Vera Gore, won over the Junior girl, Olene McKenzie. Then the Fish girl, Jane Jessup won over the Soph girl, Odessa Edmondson. Then Vera Gore competed against Jane Jessup, winning a one-hundred per cent vote. We were going to have a solo contest among the boys, and all the boys were ready to sing but we could not have it on account of final examinations. The Seniors lost only one contest, the boys duet, the Juniors lost all but one contest, the Sophs lost all but two, the Fish lost all but two.

Poetry Contest Winner

COMANCHE HIGH SCHOOL WINS
PLACE IN STATE HIGH
SCHOOL POETRY
CONTEST

JANET ELLEN HOLMES

The following poem written by Janet Holmes was selected as one of the three best submitted in the State High School contest.

HER SMILE

The spring wind whispered to her hair,
And left its softest fragrance there.
The dappled sky sent blueness down,
And soft grey flecks like eider down,
To make her eyes.

The tall trees lent their supple grace,
That in each motion joy would trace;
God used His gentlest, kindest art,
To make the deepness of her heart,
That I so prize!

My house is walled with narrow stone,
With vines of selfish ivy grown.
I reach to catch the sun's faint glow
That in my guilt corners show—And lo!
It is her smile!

Grace Brightman

Debaters

The girl's debating team this year was composed of Elizabeth Anthony and Grace Brightman. They put all their efforts forth and got up an unusually good debate on both sides of the question. Before the county meet they met several teams from towns out of the county. This helped them greatly, and they came out with banners waving in the county meet.

After having won first place in the County, they worked all the harder to be well prepared to meet their opponents in the District Meet. They were defeated there, however, by the winners of the district.

The boys debating team, composed of Jim Eanes Reese and Winfield Wagner, worked equally hard to get up a debate equal to the next one.

E.H.S.

"C" Club

The "C" Club consists of those men who have made a letter in any athletics in High School. The largest part of these made letters in football while the rest lettered in either basketball or track.

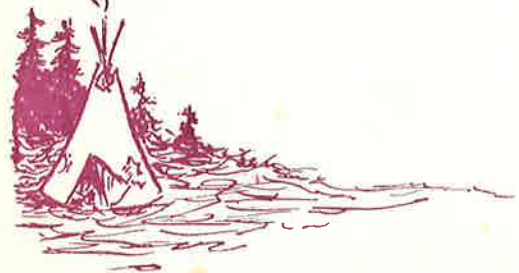

All of the letter men were not present at the time this picture was made, Jim Eanes Reese, Argyle Everett, Ory Beaty and Robert Carpenter.

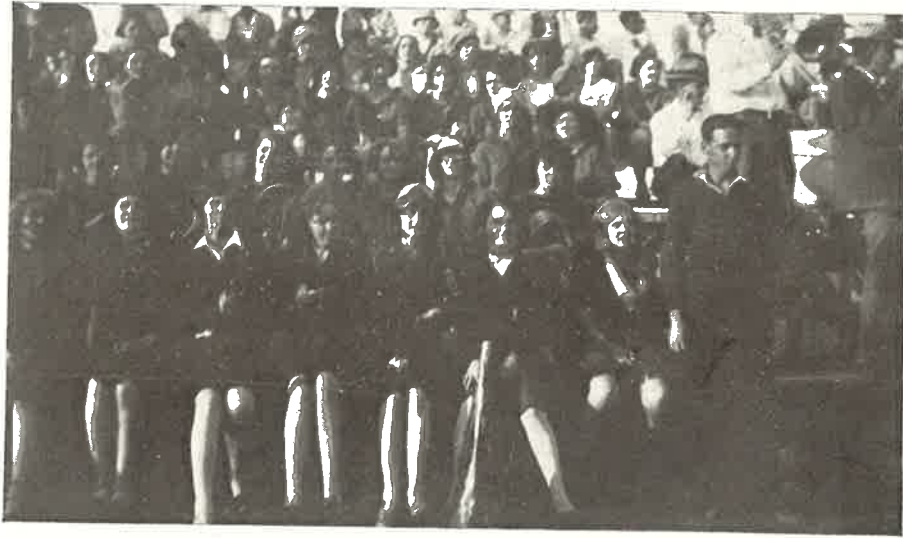

Although the "C" Club was not as large this year as is usual, it was the best organization of this kind that has ever been organized.

The members, reading from left to right, front row are: Story, Keeter, Dodson, Wetzal, M. Meyers.

Second row: McDonald, Waldrop, J. Meyers, Stephens, and Emert.

Back row: Allen, Dudley, Coach Burns, King, Greer (Pres.)

The Pep Squad

Rah! Rah! Rah! Hail, Hail, the Gang's all here; yelling for the Indians.

The school had a fine pep squad this year; not only in quantity but also in quality. Not only did the pep squad attend the football games in Comanche, but a large majority also went to the out of town games, which greatly helped the boys win many of their victories.

When the pep leaders said, "Frog" the whole pep squad jumped and——well, you should have seen them——especially when they jumped around to the music of Pat's band. The pep squad is certainly grateful to Mr. Howard for the music furnished by the band at most of the games.

Another unusual feature of our pep squad this year was the fact that there was quite a number of boys who were faithful to the pep squad until the end. They were a great help, and, next year, every boy that doesn't play on the team should join in and help yell for the "Indians."

We hope that Comanche High has a grand pep squad out next year to boost the football team.

C.H.S.

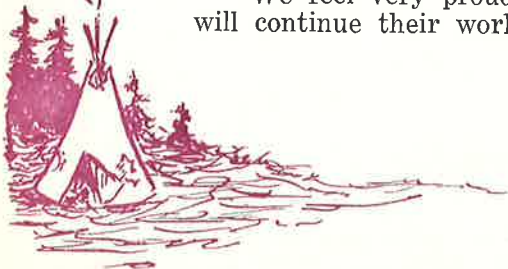

Fourth row: Newsome, McDonald, Stephens, Burton, Lane, Emert, Jones. Third row: Ross, Hilley, Lucker, E. Luckie, Hill, Starks, Dunn. Second row: Bowman, Greenwade, Cash, McKenzie, Allen, F. Cash, Gore, Clarke. First row: Kemp, Couch, Stephens, Greene, Jones.

The Glee Club

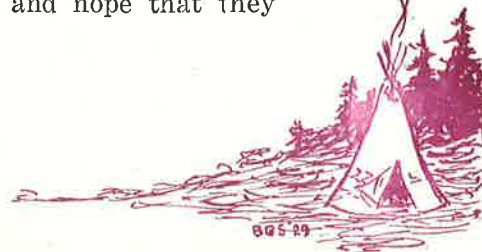

One of Comanche High's most prize organizations was her Glee Club, under the direction of Mrs. Carroll. A livelier, or more co-operative bunch of students have never yet been found. They surely could sing, and how! Mrs. Carroll picked fifteen of the best singers and entered them in the county meet. Of course they won first place in the county meet and there is no telling what they could have done in the district if wet weather had not prevented them from going.

Another very remarkable thing that they put over with flying colors was the operatta "Pan." One would never think that a play such as this could ever be staged successfully here; but it was and due credit should be given Mrs. Carroll.

We feel very proud of the Glee Club and hope that they will continue their work next year.

'29

Back row: M. Durham, G. Brightman, W. Witten, J. Jessup. Front row: M. Ross, F. Jackson, J. Kilpatrick, L. Sherrill, E. Tate.

Public Speaking Class

This is one of the most useful and entertaining clubs in the whole school. Under the able leadership of Mrs. R. S. Walker, the club put on two plays, "Fixing It For Father" and "Apple Blossom Time," for the benefit of the Arrow-Head. The public speaking class also furnished the cast for the one-act play. That cast won third place in the District Meet.

Both the declaimers and the girls debating team were from the public speaking class.

Mrs. R. Walker, director, has directed the public speaking class successfully for several years. She is recognized as one of the ablest in this field of work.

The Arrow-Head wishes to thank Mrs. Walker and the public speaking class for their splendid co-operation in helping them put out the School Annual.

C.H.S.

Back row: Donaho, Gore, Brightman, Anthony, Walling, Holmes,
Front row: Greer, Parker, Wagner, Eanes.

The Literary Club

It seems that our Literary Club is increasing every year. This is all well and good, and we wish that the whole student body would enter into something next year.

The Literary Club is composed of students who represented C. H. S. in the County and District Meet. The boys debating team, composed of Jim Eanes Reese and Winfield Wagner, defeated De Leon in the Class A division, but lost in the finals of the County Meet. The girls debating team, composed of Elizabeth Anthony and Grace Brightman were more successful. They won the County, but lost to the winners of the District.

The Senior boy declaimer won first place in the County, but lost out in the District. The Senior girl declaimer won second place in the County, but also lost out in the District.

The extemporaneous speaker and essay writer won first place in the County Meet. She won second place in essay writing in the District.

C. H. S. is very proud of these students who helped her hold up her banners in the County Meet this year, and hopes that even more will back her up next year.

L. Walling, C. Jones, M. Ross, J. Gray, S. Burton, E. Doggett, B. Allen, J. Jessup, W. Witten. Front row: M. Long, M. Durham, G. Brightman, M. Cook, F. Jackson, G. Kilpatrick, C. Fisher, F. Barkley, B. Doggett, E. Tate, J. Holmes.

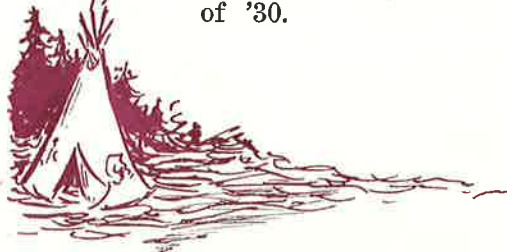

The Latin Club

OFFICERS

Maurice Durham	-----	President
Mary Dee Long	-----	Secretary
Faculty Sponsor	-----	Miss Philips

The Latin Club was composed this year of not only students who are taking Latin now, but also of all those who have ever taken Latin. At the first meeting, officers were elected and plans were made for the programs of the future meetings. The programs dealt largely with a study of Roman life and customs. Plans were made for presentation of a musical play, "The Slave Girl," but unexpected difficulties arose and this plan had to be abandoned.

Many of these students will continue to take Latin next year, and the school expects great things from the Latin Club of '30.

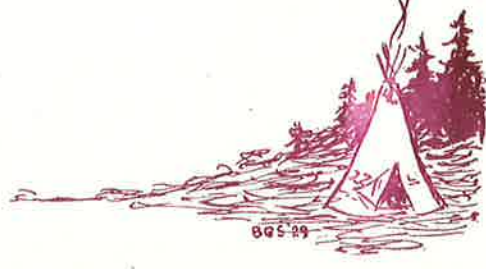

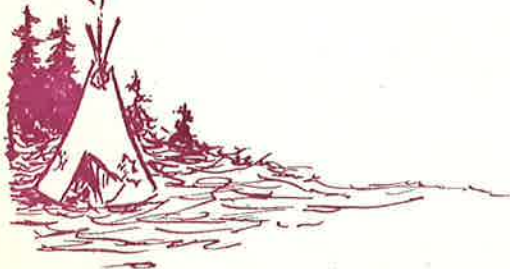

E.H.S.

High School Orchestra

At the first of the year the High School organized a twenty piece orchestra, under the direction of Harmon Howard. It started to work at once, and in no time was ready to appear before the rest of the school with a very entertaining program. This was repeated several times during the year. As the days flew by, it kept gaining in quality and quantity, and soon was ready to appear before the whole town. At almost every public gathering during the rest of the year, the Orchestra was asked to play; and this they did with a great willingness.

It seems almost an impossibility that such an orchestra could be developed from a bunch of beginners in music as this one did. Of course, most of the credit goes to the director, Mr. Howard. He was patient and sympathetic and it certainly took these two characteristics to constantly drill and drill, and then drill some more, a bunch of numskulls. But soon these numskulls began to see the light and almost before you knew it, they became talented musicians. We hope to see everyone that was in the orchestra back next year to help out.

ROW RAT PAT

Athletics

C.H.S.

GEORGE P. BURNS

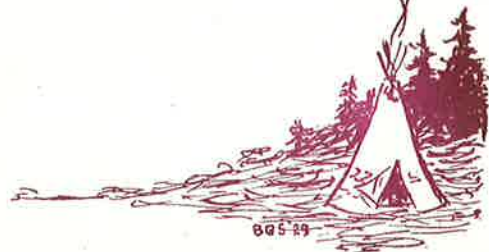

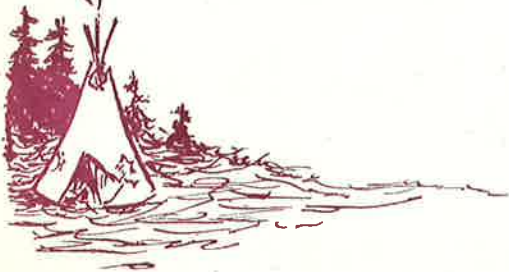

Director of Athletics,

Comanche County, and Football Coach

This is Mr. Burns' second year as Coach at C. H. S. as he was here in '27. He graduated at Howard Payne College where he played three years on the varsity team. He is an excellent football Coach and loved and respected by every member of C. H. S. football team. He is also an A-1 track and basket ball coach, as he coached a basket ball team which won County Championship in Class A, and a track team which won the County and went to the State Meet.

The mascots of C. H. S. football team are Jack Jessup and O. C. Thrasher. They made most of the trips with the team and practiced with them every day. Both of these could do much toward putting pep into the team. They should do much toward helping put out a winning team next year.

Football

E.H.S.

EVERETT, Half (Captain)

"Arg" was a real Captain for you. He was in the game from start to finish. He was unfortunate as he received an injured ankle in the Dublin game at the first of the season. However he was always fighting as a true football Captain should. He was loved by every member because he was always putting pep into them and because of his playing ability.

Argyle played a consistent game at half and while he was in the game, everyone could fight just a little harder than any other time.

It is with much regret that we give Argyle up for we all love him not only as a good football player but as a friend to everyone.

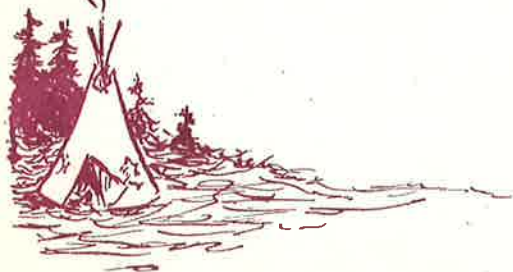

MORRIS, Manager

"Doc" was ineligible this year because he was over age. However that could not keep him away from the team. He was the doctor of the team and as a doctor, he was worth his salt.

When any of the men were injured in any way, he "fixed em up" the best he could.

Without "Doc" we would have been lost. He made a first class half back last year and we regret that he could not play this year.

This will be "Doc's" last year with us.

C.H.S.

The Squad

Reading from back row, from left to right: Maurice Barry, Eltos Dudley, Pig Wetzel, Jim Eanes Reese, Ory Beaty, Jess Emert, Doc Morris (Manager).

Third row: Coach Burns, Elmo Dutton, Clyde Horner, Lee McKimmey, J. C. Meyers, Veston McDonald and Robert Allen.

Second row: Mackey Johnson, Jeff King, Albert Greer, Bill Stephens, Fane Waldrop, Gus Meyers.

First row: Frank Keeter, Glynn Story, Argyle Everett, Eugene Dodson, Frank Mackey.

Honorable mention for Class B Football were: Dodson, Dudley, G. Meyers, Wetzel.

'29

E.H.S.

McDONALD—End—145

"Fitz" was out of the game for a good while owing to an operation which he underwent just before school opened. He came in in time to show that he had that old fighting spirit. He will not be back year.

MACKEY—End—136

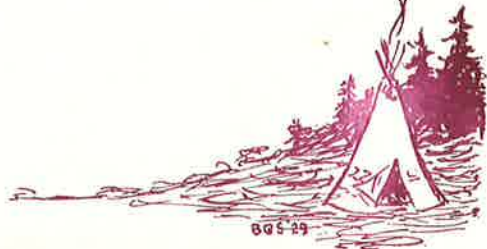

"Silly" was in every play when he was in. This is Frank's second year with us and we expect great things from him next year as he is only a Junior this year.

DODSON—Quarter—150
(Alt. Capt. Elect)

"Dod" being ineligible last year was unable to play but he made up for it this year. As a quarter back he was among the best. He will be with us next year.

MEYERS, J.—Guard—138

Meyers' dreams came true when he received a sweater this year. He will probably be here next year.

C.H.S.

BEATY—Tackle—165

Ory came out this year with the intention of making the team and he succeeded. He was not so heavy but he held the position of tackle very well. He will not be back next year.

KING—Tackle—160

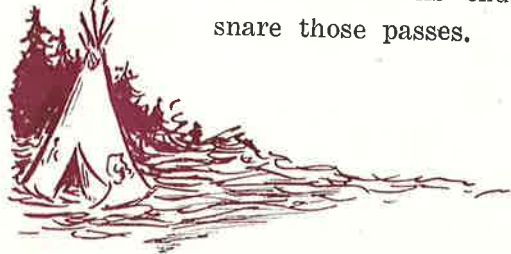

Jeff made his first letter last year and since the first of the season this year, he certainly earned his salt as a tackle as not an inch was gained over him when 'he had that old C. H. S. fight in him.

GREER—Capt. Elect—Guard—160

"Tub" could put more spirit in the squad by just talking than any other member of the team. He fought with blood in his eyes every down in every game. He will make a very able Captain next year.

ALLEN—End—158

This being "Rostie's" first year to letter, he was not expected to do very much. However he fooled everybody as he always got a tackle when it came around his end. He could also snare those passes.

E.H.S.

WETZEL—Center—165

"Pig" was a first class center having an honorable mention in Class B. He was our punter, also this year. We hate to lose "Pig" as he was a great help on our line.

EMERT—Tackle—155

Jess was one of our best linemen this year. You can always depend on him for his best when he was in the game. He seldom missed a tackle that came his way. We lose Jess to our regret.

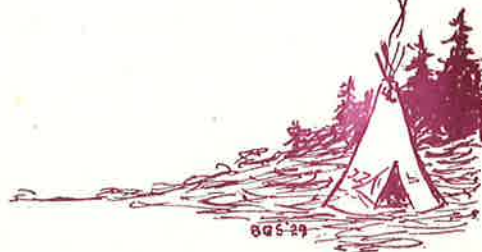

STEPHENS—Guard—150

Too much can not be said for Bill as he was a real guard, he covered a large space around him and missed few of the tackles coming his way. We are very glad to have him back next year.

DUDLEY—End—170

This was "Atlas" first year to make the squad, but he made it a hundred per cent, he also gained honorable mention in Class B as an end. Dudley missed few of the passes that came his way.

KEETER—Half—125

"Skunkie" was the lightest man on the squad but he sure deserved his sweater if anyone did. He seldom failed to gain when he carried the ball. We lose "Skunkie" much to our regret.

STORY—Half—133

"Goober" was the second lightest man on the squad but he was the fastest one. On gaining, he was hard to beat as he always picked the hole. We will miss Glynn very much next year.

MEYERS—Full—165

This is Gussies' last year with us and we regret that we lost him for he was a good gainer and good at running interference.

C.H.S.

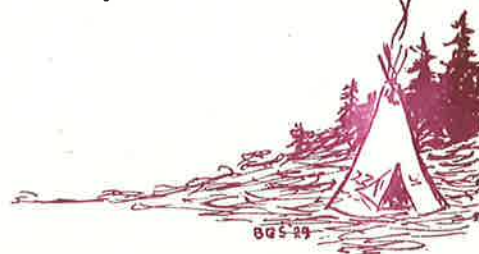

Yell Leaders

"Yea Team!" The students of C. H. S. got peppy plus this year when they all joined in and yelled with Elizabeth Anthony and Robert Cunningham our yell leaders of '29. Co-operation! Yes sir, Diddye and John Robert were loved by the whole school, which accounts for the fact that the pep squad seemed to "geehaw" better than ever before.

Not only did they keep this excellent spirit up during the football season, but kept it up until the last day of school. Every Wednesday morning the student-body was allowed to assemble in the auditorium and yell for a few minutes. This surely helped the football team and certainly kept everybody full of pep, and wishing next year would hurry and come. It not only kept the students peppy, but made many of the boys who were dropping down in their work wake up and realize that if they intended to be a "Comanche Indian" next year, they would have to get to work—and this they did with untold efforts. We hope that this wonderful spirit does not die during the summer and that C. H. S. has a whooping good team and pep squad next year.

'29

895-29

C.H.S.

The Season

The football season of '28 was a very successful one. The team started out for practice with a bang with over thirty men out for practice. There were some letter men out but the most were rookies. However under the leadership of Coach Burns the team began to take shape.

BRECKENRIDGE-COMANCHE

After about two weeks of practice we tangled up with Breckenridge High School on September 25. As this was a class A school we were not expecting to win over them. This however did not keep the Indians from fighting, we were defeated by the score of 25 to 0. This was really a fine showing as Breckenridge was a strong contender for the Class A title.

DESDEMONA-COMANCHE

The team was undaunted by this defeat and played the first conference game with Desdemona. This was a harder game than every one expected but by showing what it was made of, our Comanche team won by the decisive score of 18 to 0. Several of the new men showed up well in this game. Many others also learned a great deal more about football under Coach Burns.

'29

DUBLIN-COMANCHE

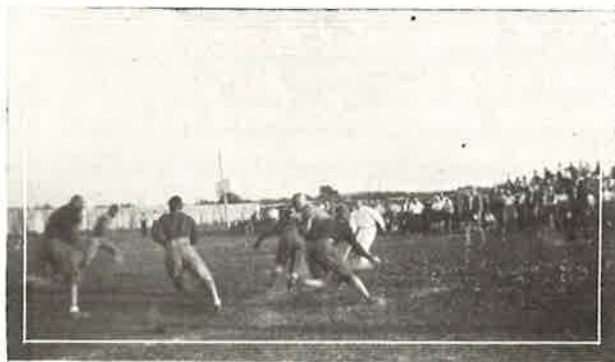

Cheered on by the defeat of Desdemona we next played Dublin on her own field. This team was supposed to be the strongest in the district as they had defeated Brownwood 7 to 0. They were sure of a victory over Comanche and very much surprised when we beat them to the tune of 9 to 7. Several new men showed up wonderfully in this game.

GORMAN-COMANCHE

After winning over a strong team like Dublin we journeyed up to Gorman to bring home the bacon. We outclassed them the entire game but in the last fifteen seconds of play, they completed a freak pass which left the man with the ball completely alone and he made a touchdown by merely running. By losing this game we lost an excellent chance to win the District Championship.

STEPHENVILLE-COMANCHE

The next game was played at home and played with Stephenville. This game was a fight from the first whistle to the last. Early in the game, a Stephenville man fumbled the ball and it was covered by a Comanche man over Stephenville's goal line. We kicked a goal for the extra point. Not far from the end of the game, a Stephenville end scooped up a fumble and ran across the goal line. They failed to kick goal and we finally won the game 7 to 6.

C.H.S.

RISING STAR-COMANCHE

Rising Star then came down thirsting for revenge because of our defeat of them last year. From the start to the finish neither team could gain much. The ball would go from one side to the other, and up and down the field. Finally in the last quarter, the whole Comanche team got to working together. Every man got blood in his eyes and marched the whole length of the field for a touchdown. This game was featured by line plays which gained several yards of territory each down.

BROWNWOOD-COMANCHE

On November 11th, we played our annual Armistice Day game with Brownwood. Last year, we beat them by a large score and this year they were prepared for us. Although we got an excellent start by making an easy touchdown, they beat us by the score of 18 to 6. Next year with the team we will have, we should beat them bad to make up for our loss this year. This game with Brownwood each year on Armistice Day, has been a custom for many years and up until the season of '26, they had not beaten us for over ten consecutive years.

DE LEON-COMANCHE

We played De Leon on Thanksgiving Day over on their own field. After being defeated by them for two consecutive years, we were out for revenge. Nothing happened during the first of the game but during the third quarter De Leon made a touchdown, and by passing over the goal line, they made the extra point.

'29

C.H.S.

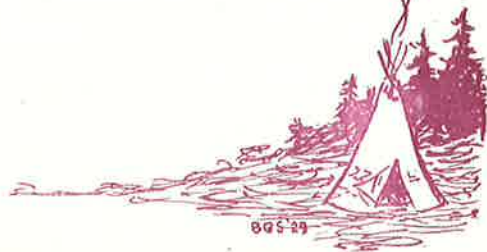

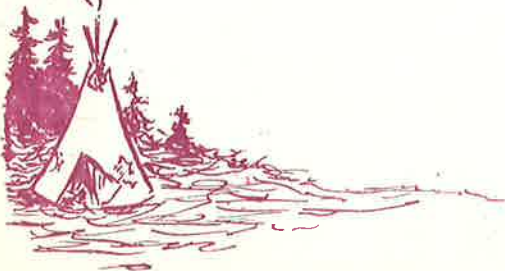

CLASS GAME

An interesting school activity is the class game which is held at the close of each football season. Heretofore, the letter men were eligible to play in this game, but this year, only those who failed to letter were allowed to play.

The Seniors and Sophomores were lined up against the Juniors and Freshmen. Both teams were very evenly matched and could not advance the ball very far into the others territory. The Juniors and Freshmen finally won the game by advancing the ball past the Seniors and Sophomores' twenty yard line. The Seniors passed their opponent's twenty yard line only once, while their own twenty yard line was passed twice. Many players who never had a chance to show their abilities in a game with another school, proved their ability to play in this game. Some men who had never come out before, played in this game and showed up exceptionally well in this game. These may make wonderful players next year.

SPRING FOOTBALL PRACTICE

For the first time in the history of C. H. S. football, spring football practice was had. Several promising players who attended Grammar School this year and who enter High School next year, came over and practiced with the men who will come out next year. With this aid to acquaint the new men with the fundamentals of football, an excellent team should be organized next year. Practice was started about four weeks before school was out and lasted about three weeks. Although this was a new idea, it met with success and it will probably become a custom at Comanche High School.

3.1321

Other Sports

E.H.S.

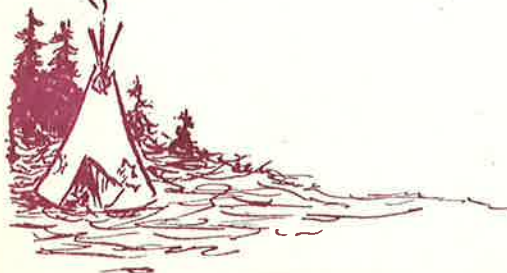

Goldthwaite Track Meet

On April the 13th our boys went to Goldthwaite to compete with teams from other schools. The meet started with the hundred yard dash. In this race Goob Story got third place. Fane Waldrop ran the half mile finishing second. Jim Eanes Reese finished a good third in the mile run. In the broad jump Robert Allen placed third and Glen Story placed fourth. Robert also placed first in high jump. The heighth that he jumped was five feet and eight inches. In the discus Veston McDonald placed third. The main event of the meet which was the one mile relay was won by our relay team. It consisted of Goob Story, J. C. Meyers, Jim Eanes Reese and Robert Allen.

Owing to adverse circumstances Eltos Dudley who was high point man in the County Meet could not accompany the team.

As a whole the trip was a success showing the members of the team their possibilities to win places in the District Track Meet which was held in Brownwood.

The prospect for a track team next year is very good.

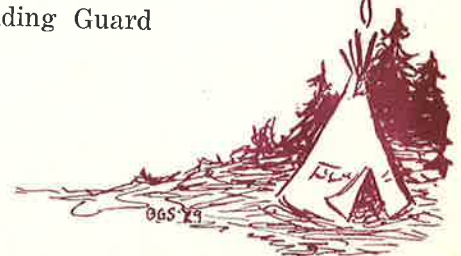

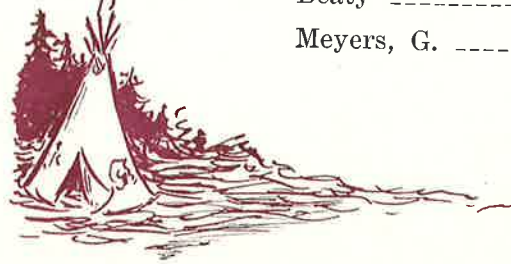

Boys' Basket Ball

Basket ball started out with a bang this year, there being several men out for practice. Under the leadership of Coach Burns and Captain Everett the team had a successful season, having won the Class A Basket Ball title of the county.

In the above picture reading from left to right are: Coach Burns, Greer, Weathers, Dutton, McDonald. Wetzel, Dodson, Burt, Beaty. McKimmey, Story, J. Meyers, G. Meyers. The letter men are:

Everett (Captain)	-----	Left Forward
Waldrop	-----	Right Forward
Dodson	-----	Forward
Wetzel	-----	Center
Beaty	-----	Running Guard
Meyers, G.	-----	Standing Guard

C.H.S.

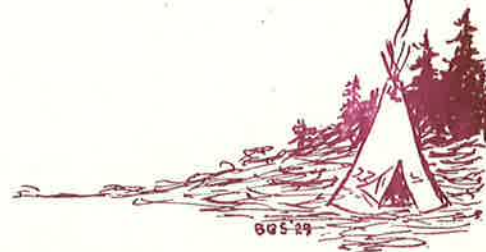

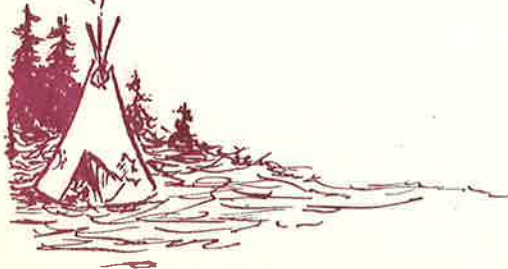

Girls' Basket Ball

This year the girls decided to organize a basket ball club. As there has been no club in C. H. S. for several years there were no experienced players. However under the coaching of Miss Hattie Brightman, they made good records for their first year. Our girls did not get very far in the County Tournament however, because they played some very experienced teams.

The players, reading from left to right are: Starks, Morton, Weathers, Killian, Barrett, Pierce.

Our girls sure did know how to play and Weathers our goal pitcher hardly ever missed.

We will have all these players back next year except two and that is Mattie Pierce and Katherine Morton.

C.H.S.

Tennis Club

Reading from left to right on first row: Dillin, Story, McKimmey, Reese, Parker. Second row: Dupuy, Miss Hicks, Coleman, Thompson, Wallace, Rauhut.

The tennis season this year was very successful. In the County Meet, De Leon was defeated in the boys singles and girls singles, Glynn Story representing C. H. S. in boys singles, and Lollie Coleman representing the girls singles.

The boys doubles team consisting of Glynn Story and J. C. Meyers was defeated in the County Meet, likewise, the girls doubles team which consisted of Johnny Ruth Wallace and Nellie Mae Killian.

Interest in tennis has grown considerably in the last few years and we expect to win all tennis next year.

'29

Track Team

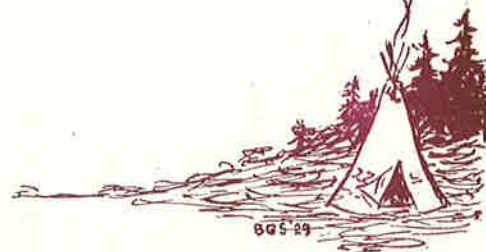

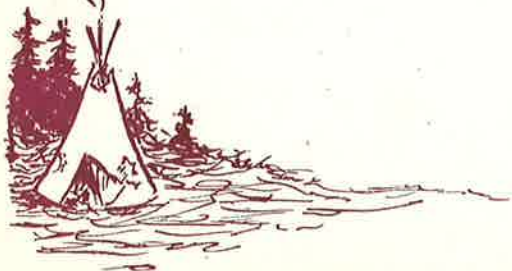

The track team this year was the most successful one in several years.

In the County Meet, all first places, and all second places but two were won by Comanche boys. Some of the places taken by them are: Meyers, first in high hurdles, second in javelin, second in discus, and third in shot put. Allen first in broad jump, second in high jump; Story, first in 100 yard dash, first in javelin, second in broad jump; Meyers, J., third in 100 yard dash; Waldrop, first in half-mile; Reese, first in mile; Dudley, first in discus, first in high jump, second in 100 yard dash, fourth in javelin, and first in shot put.

The relay team consisting of Story, J. Meyers, Reese and Dudley won first place at the district meet at Brownwood. It placed fifth in the fastest heat at the State meet. This was won by San Angelo who broke the State record by four seconds.

Robert Allen won second in high jump and fourth in broad jump at the District Meet. He did not place at the State Meet.

The letter men are: Allen, Story, J. Meyers, Reese and Dudley.

The members of the Volley Ball team, reading from left to right are: Back row: Garrett, Elms, Randall. Front row: Pierce, Magness, Morton.

Volley Ball

Volley Ball was more of a success this year than any year before as we won the Class A title by defeating De Leon. This went a long way toward winning the track meet by as large a majority as we did.

Before the County Meet the girls played numerous games with the nearby towns. This not only kept them in good condition, but also helped them beat De Leon.

The Editor's Page

I hope you like this little book for I and my help have tried to put out a book that will please the reader.

In my dealings with the student body this year I have found it to be a pleasure and I will always remember them.

Although I suppose that everyone got tired of hearing the same old thing over and over about the annual.

We wish to thank all that has helped us in putting this book out and we will patronize you the best we can.

Your school is what you make it. You can make enemies as well as friends, but always remember, treat others as you would have them treat you. And I have found that out this year in dealing with the student body as well as with others.

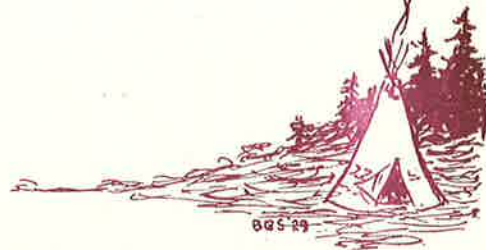

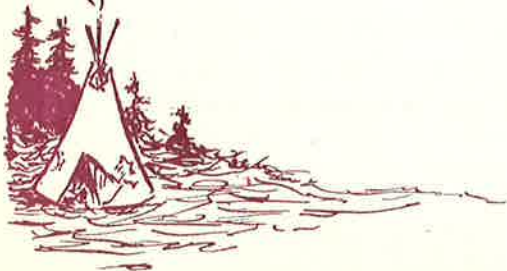

You are part of all that you are with so try to make your part the best and in that way you can put Comanche High on the top. Take part in all activities and you will get your part out of school and it will be a pleasure to go.

Listen to what the teacher has to say for that is how you learn. Not only from books but from some one that knows.

I believe that we have had a very successful year both in school activities as well in books.

I wish to thank all that have helped me in putting out this book.

V. McDONALD
